

We wanted to let you know about all the terrific activities we have planned *on our terms* for #ShowSomeMercy. We know that many of you live outside Kansas and likely won't be able to attend, but we wanted to extend the invitation anyway.

The first is a July 9 Repro Rally at Old Town. We will be giving you more details soon about this event, but it will be from 10 a.m. to noon. Several other groups will be participating as well.

We know you are eager to show your support for reproductive rights.

So please come out to Trust Women South Wind Women's Center on July 15 to kick off #ShowSomeMercy and show the community that women should have access and control over their health care. We'll have refreshments and entertainment.

[You will need to RSVP for this event.](#) This is for safety reasons.

And finally, [please come out](#) at 6 p.m. July 21 to [Watermark Books & Cafe](#) to hear from the authors of "Living in the Crosshairs: The Untold Stories of Anti-Abortion Terrorism."

The event will be a great way to honor the memory of Dr. George Tiller and learn more about anti-choice violence.

Finally, we will have opportunities to canvass during #ShowSomeMercy. Look for more information about that soon.

Big thanks to Rebecca Tong, our director of development, for exercising her graphic design chops for these events. She brings home the bacon AND makes us look pretty.

See you soon,
